1105310	463132	NCDHHS-MEDICAID GAP FUNDING	420,938.84	

**Reason for adjustment:**  
 NCDHHS has identified funding for a second straight fiscal year to fill the gap created by the anticipated decrease in federal Medicaid match available to local DSS agencies as a result of the reclassification of certain expenditures from 75/25 to 50/50 federal/county share. Allocation received to offset county costs for enhanced Medicaid claiming is \$420,938.84. There is no county match required.
