DEPT: Recreation and Parks

AGENDA TITLE: Grant Request – Recreation and Parks

TO: Alamance County Board of Commissioners

ISSUE/ACTION REQUESTED:

The Board will consider approval for the Parks Department to apply for and budget \$100,000 in grant funding from Impact Alamance. No County matching funds are required.

BACKGROUND/PURPOSE OF REQUEST:

This item seeks permission to apply for, and if awarded to budget, a grant from Impact Alamance for the development of community walking tracks at B. Everett Jordan (BEJ) and Altamahaw-Ossipee (AO) Elementary Schools. The walking tracks will be approximately .5-1 mile of crushed stone-surfaced tracks around the perimeter of each school's athletic fields. If awarded, the grant from Impact Alamance, the money would be used for contractor services to construct the walking tracks, landscaping, benches and other supplies to complete the area around the walking tracks at each location. No County match funds are required.
