Description

The Edward Byrne Memorial Justice Assistance Grant (JAG) Program is the primary provider of federal criminal justice funding to states and units of local government. Through this opportunity, the Bureau of Justice Assistance (BJA) will award JAG Program funds to eligible units of local government as described in this FY 2023 JAG Program Local Solicitation.

BJA issued a [separate solicitation](#) for applications from states.

Solicitation Categories:

- Category 1: Applicants with eligible allocation amounts of less than \$25,000
- Category 2: Applicants with eligible allocation amounts of \$25,000 or more

Eligible Applicants:

- City or township governments
- County governments
- Native American tribal governments (federally recognized)
- Special district governments

By law, for purposes of the JAG Program, the term “units of local government” includes a town, township, village, parish, city, county, borough, or other general-purpose political subdivision of a state; or it may be a federally recognized American Indian tribal government that performs law enforcement functions (as determined by the Secretary of the Interior). A unit of local government also may be any law enforcement district or judicial enforcement district established under applicable state law with authority to independently establish a budget and impose taxes.

Listed below are all jurisdictions in the state that are eligible for FY 2023 JAG funding, as determined by the JAG formula. For additional details regarding the JAG formula and award calculation process, with examples, please refer to the JAG Technical report here: <https://bjs.ojp.gov/library/publications/justice-assistance-grant-jag-program-2021> and current JAG Frequently Asked Questions here: <https://bja.ojp.gov/program/jag/frequently-asked-questions>.

Finding your jurisdiction:

- (1) Disparate jurisdictions are listed in shaded groups below, in alphabetic order by county.
- (2) Direct allocations are listed alphabetically below the shaded, disparate groupings.
- (3) Counties that have an asterisk (*) under the "Direct Allocation" column did not submit the level of violent crime data to qualify for a direct award from BJA, but are in the disparate grouping indicated by the shaded area. The JAG legislation requires these counties to remain a partner with the local jurisdictions receiving funds and must be a signatory on the required Memorandum of Understanding (MOU). A sample MOU is provided online at: <https://www.bja.gov/Funding/JAGMOU.pdf>. Disparate jurisdictions do not need to abide by the listed individual allocations, which are provided for information only. Jurisdictions in a funding disparity are responsible for determining individual amounts within the Eligible Joint Allocation and for documenting individual allocations in the MOU.
