**AGENDA TITLE:** Budget Amendment – Gardner Trust

**TO:** Alamance County Board of Commissioners

**ISSUE/ACTION REQUESTED:**

The Board will consider amending the budget for the annual Gardner Trust fund for Library projects.

**BACKGROUND/PURPOSE OF REQUEST:**

The Gardner Trust Endowment was originally established in 2004 when the library system at the time, Central North Carolina Regional System, was the beneficiary of a trust established by the will of Helen Ewing Gardner. The library system was received a cash payout annually since its inception that goes to the innovative work of the library staff to continue to offer new services and resources requested by the community. At the recommendation of the Finance Department, we are requesting the creation of appropriate revenue and expenditures lines to track and manage these funds accordingly.
