TO: Alamance County Board of Commissioners

ISSUE/ACTION REQUESTED:

The board will consider amending Department of Social Services budget to accept \$30,810.46 to be used to support and enhance county efforts in Food & Nutrition service delivery.

BACKGROUND/PURPOSE OF REQUEST:

The Department of Social Services has received notification of funding from NC Division of Health and Human Services (DHHS) for the Food & Nutrition (FNS) program. FNS is a federal food assistance program that provides support to eligible families with food purchasing through monthly issued allotments. These funds, based on State guidance, will be used to support and enhance county efforts in FNS service delivery. The allocation total is \$30,810.46. There is no county match required. Account lines for this funding was previously established; therefore, DSS is requesting the budgeted amount to be modified to reflect the additional allocation received.
