MEMORANDUM

TO: The Alamance County Board of County Commissioners
FROM: Jeremy Akins, Tax Administrator *JKA*
DATE: November 29, 2023
SUBJECT: Recognition of the Service of the Board of Equalization & Review

The members of our Board of Equalization and Review have faithfully served during our busy 2023 appeal season. The Board first met on April 4, 2023 and continued meeting until their final session on November 9, 2023. During this time, they provided oversight to the review of 4,864 appeals with a total value of approximately \$3.4 billion. They personally heard 380 of these appeals, including appeals of real property, personal property and motor vehicles, along with questions regarding exemption eligibility. This was certainly more work than any of our Board Members expected, but they served without complaint and saw the process through to completion.

The members of this Board are:

Chairman	Frank Bell
Vice Chairman	Henry Vines
Member	Christina Faircloth
Member	Mark Danieley
Member	Dean Rainey

The faithful service of our Board of Equalization and Review members is worthy of recognition and is much appreciated by the staff of the Alamance County Tax Department and the many citizens they have helped along the way.

Sincerely,

Jeremy K. Akins
Tax Administrator
