**DATE SUBMITTED:** 4/24/2024

**FROM:** Tory Frink

**DEPT:** County Clerk's Office

**AGENDA TITLE:** Proclamation: 2024 Professional Clerks Week

**TO:** Alamance County Board of Commissioners

---

**ISSUE/ACTION REQUESTED:**

Recognition of May 5-11, 2024 as Professional Clerks Week in Alamance County.

**BACKGROUND/PURPOSE OF REQUEST:**

Presidents Reagan and Clinton respectively signed proclamations officially declaring the first full week of May as Municipal Clerks Week. This designated week is aimed at increasing the public's awareness of Municipal and County Clerks and the vital services they provide for local government and the community. The functions of the Clerk necessitate a thorough knowledge of law procedures, administration and interpersonal relations. In order to keep up with the consistent transformation in local government, many Clerks participate in continuing education, seminars, and by attending Clerks Institutes.

**RECOMMENDATION:**

Staff recommends issuance of this proclamation.
