RE: Surplus Equipment

This letter is to request that a surplus of vehicles from the Alamance County Sheriff's Office be given to the Alamance Community College Law Enforcement Section. These vehicles have been removed from service for having extremely high mileage and/or mechanical issues that would render them not road worthy to use for daily operations at the Alamance County Sheriff's Office. The equipment will be repaired by Alamance Community College and used for in service training and training new law enforcement recruits. These vehicles have been stripped of the equipment inside and have no use to the Alamance County Sheriff's Office.
