To the Board of Commissioners

Report on the Annual Settlement

Pursuant to NCGS 105-3739(d), I have reviewed the Annual Settlement for Tax Year 2023 and agree with the prepared reports.

In accordance with the North Carolina General Statutes, I respectfully submit the attached report on current and delinquent taxes. Uncollected balances are recharged to the appointed tax collector as delinquent accounts, and the collector has full authority to use levy and garnishment to affect their collections.

The Alamance County Finance Officer requests the Alamance County Board of Commissioners to receive the tax collector's annual settlement.

Respectfully Submitted,

Susan R. Evans
