Having an area of approximately 0.169 acres.

Said Permanent Utility Easement (PUE) in perpetuity is for the installation and maintenance of utilities, and for the purposes for which the Department of Transportation is authorized by law to subject the same. The Department of Transportation and its agents or assigns shall have the right to construct and maintain in a proper manner in, upon and through said utility easement area(s) a utility line or lines, with all necessary pipes, poles and appurtenances, together with the right at all times to enter said utility easement area(s) for the purpose of inspecting said utility line or lines and making all necessary repairs and alterations thereon; together with the right to cut away and keep clear of said utility line or lines, all trees and other obstructions inside the utility easement area(s) and to cut, fell and remove any and all trees on the premises that are or may become tall enough, in The Department of Transportation and its agents or assigns' opinion, to endanger a line or other facility within the utility easement area(s) ("Danger Trees"). The Department of Transportation and its agents or assigns shall also have the right to access the utility easement area(s) and Danger Trees at any time and from time to time by vehicles, equipment, and pedestrians, provided that such access to the utility easement area(s) and Danger Trees from outside of the utility easement area(s) shall be confined to then-existing streets, roads, and driveways to the extent they provide sufficient access. The Department of Transportation shall also have the right to construct and maintain the cut and/or fill slopes in the above-described permanent utility easement area(s), and the right to use the permanent utility easement area(s) for additional working area during the above-described project. The underlying fee owner(s) retain(s) the right to continue to use the permanent utility easement area(s) in any manner and for any purpose, including but not limited to access and parking, provided that such use does not interfere with or disturb the permanent utility easement or utility installations. The Department of Transportation's acquisition of the permanent utility easement(s), by itself, does not constitute new control of access (C/A), and the subject property shall retain existing abutter's rights (if any) and existing points of ingress and egress (if any) not affected by other takings on the subject property. Furthermore, upon completion and acceptance by the Department of Transportation of the above-described project, utilities or appurtenances within the permanent utility easement(s) shall not be added or modified to i) obstruct the subject property's access point(s), and/or ii) unreasonably interfere with the subject property's parking.

Having an area of approximately 0.006 acres.

It is understood and agreed that the DEPARTMENT shall have the right to construct and maintain the cut and/or fill slopes in the above-described area(s) until such time that the property owners alter the adjacent lands in such a manner that the lateral support of the cut and/or fill slopes are no longer needed. Any additional construction areas lying beyond the right of way limits and beyond any permanent easement areas will terminate upon completion of the project. The underlying fee owner shall have the right to continue to use the Temporary Easement area(s) in any manner and for any purpose, including but not limited to the use of said area for access, ingress, egress, and parking, that does not, in the determination of the DEPARTMENT, obstruct or materially impair the actual use of the easement area(s) by the DEPARTMENT, its agents, assigns, and contractors.

SPECIAL PROVISIONS. This deed is subject to the following provisions only:

It is understood and agreed that the total consideration set forth above shall be made payable to Hawke Law, PLLC and after satisfaction of all taxes, liens, encumbrances on this parcel, the remaining balance shall be disbursed in accordance with the Grantors' directions, and the Grantors shall have no claim against the Department as a result thereof.

The undersigned property owners request that the Department enter upon our lands outside the right of way to the extent necessary for the reconnection of our driveway and we will have no further claim as a result of said reconnection.

The property hereinabove described was acquired by the GRANTORS by instrument(s) recorded in the Alamance County Registry in Deed Book 03497 Page 0448.

The final right of way plans showing the above described right of way are to be certified and recorded in the Office of the Register of Deeds for said County pursuant to N.C.G.S. 136-19.4, reference to which plans is hereby made for purposes of further description and for greater certainty.

The Grantors acknowledge that the project plans for Project # 47159.2.1 have been made available to them. The Grantors further acknowledge that the consideration stated herein is full and just compensation pursuant to Article 9, Chapter 136 of the North Carolina General Statutes for the acquisition of the said interests and areas by the Department of Transportation and for any and all damages to the value of their remaining property; for any and all claims for interest and costs; for any and all damages caused by the acquisition for the construction of Department of Transportation Project # 47159.2.1, Alamance County, and for the past and future use of said areas by the Department of Transportation, its successors and assigns for all purposes for which the said Department is authorized by law to subject the same.

TO HAVE AND TO HOLD the aforesaid premises and all privileges and appurtenances thereunto belonging to the DEPARTMENT, its successors and assigns in FEE SIMPLE, or by easement as indicated, for the past, present and future use thereof and for all purposes which the said Department is authorized by law to subject the same.

And the GRANTORS covenant with the DEPARTMENT, that the GRANTORS are seized of the premises in fee simple, have the right to convey the same in fee simple, or by easement as indicated, that the title thereto is marketable and free and clear of all encumbrances, and that the GRANTORS will warrant and defend the title against the lawful claims of all persons whomsoever except for the exceptions hereinafter stated. Title to the property hereinabove described is hereby conveyed subject to the following exceptions: **Restrictive covenants and easements of record, government regulations, and the lien of property taxes for the current year.**
